47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I love my local isp dont make things harder for them! Stop these blatant anticompetitive measures and Be on the side of consumers. We need healthy broadband competition to keep the internet accessible for everyone. Big telecoms already have enough advantage. Consumers need choices especially in rural or non-metropolitan areas.
